RE: Forest Hill Road Improvements
PI Nos. 350520, 351130, 351135

Dear Mr. Keeper:

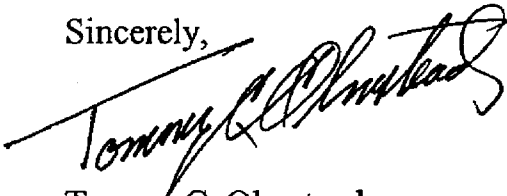

As requested in your letter of January 28, 2002, we have started to organize the stakeholders meeting for the Forest Hill Road project. The attached list includes attendees recommended in your letter plus others identified with interest in the project.

A meeting location has been identified as McKibben-Lane Elementary School located at 990 Newport Road, which is just off Forest Hill Road. Final arrangements for the meeting will be made as soon as you furnish us the meeting date. We would recommend that the meeting start at 5:00 p.m.
